## Family fun at a Maldivian Easter

Monday, 20 February 2023 14:23

Kandima Maldives has released its programme of Easter events, sure to keep the whole family entertained.

Maldivian haven Kandima has a team on-hand, planning various Easter-inspired activities for guests from April 6 to 9, 2023.

Kandiland, the island's kid's club, is run by a dedicated team, and will host Easter Egg Decorating, Bunny Crafts, an Easter Egg Piñata session, and Easter Egg cookie decorating.

String art workshops will be hosted during the three-day programme, teaching guests the techniques and helping them create sea-inspired artwork and colourful mandalas.

Breakfast and dinner options will be inspired by the festive season, with a smoked salmon and Bellini pancake station, eggs benedict and freshly-baked hot cross buns. The Easter Special High Tea and four-course special lobster set menu carry over the Easter theme into afternoons and evenings.

Pool parties at the Breeze Pool Bar and Easter Bazaar will host live DJ sessions, a treat station, food stalls, face painting and family games before a nighttime movie under the stars.
