This Easter, Kandima has an egg-citing programme of events that will surely keep the whole family entertained throughout their stay.

From April 6 to 9, the island's kid's club Kandiland will have activities like bunny crafts, Easter egg piñata, string art workshops, and even Easter egg and cookie decorating sessions.

There will also be special Easter dining options, such as the Chef's special breakfast which includes a pancake station, the Easter Special High Tea, and the four-course Chef's special lobster set dinner (US\$120++ per pax).

Don't miss out on the pool parties at the Breeze Pool Bar or the Easter Bazaar which will include a live DJ session along with treats, food stalls, kid's face painting and family games. At night, families can even enjoy a movie under the stars.

Situated in the Dhaalu Atoll, the resort is a short boat ride away from the airport.
