THIS FESTIVE SEASON GET READY, SET AND GLOW AT KANDIMA MALDIVES!

24 OCT 2023

Get ready for a glow up at "Holoworld", a holiday season programme that will see the resort transform into a colourful and iridescent dreamscape.

Kandima Maldives, the game-changing island resort known for its fun-packed holiday and family-friendly offerings, announces a lineup of anything but ordinary festive activities to celebrate the holiday season this year. Get ready for a glow up with the highly-anticipated "Holoworld", which will transform the tropical paradise into an iridescent dreamscape, glistening with holographic marvels and a kaleidoscope of colours!

Keeping with the island resort's playful spirit, Holoworld is a dazzling carnival that blends fantasy with reality, which will run for two weeks from the 22 December 2023 to 7 January 2024. From captivating light installations, music performances, sensational beach parties, to art fiesta and a glamorous New Year's Eve Gala, guests of all ages will experience a joy-filled and unforgettable getaway.

An array of activities awaits at Kandima, starting with a Christmas Tree Lighting Ceremony leading up to Santa's arrival on Christmas Day. Get creative after Boxing Day with innovative art sessions learning about string art from the experts of Fann Art Thérapie, a bake-along at the Merry Little Pizza Bake, fun Kandy Kane Hunt and Gingerbread Cookie Party to revive the frosty spirits.

Another highlight of the festive celebrations is the annual KULA Festival, which will involve an extensive art exhibition, engaging workshops and the Art Run. Part of the KULA Art Initiative, a global pioneering movement that the resort is leading to champion local artistic talents.

Enjoy a mouthwatering outdoor buffet with cooked-to-perfection steaks and grilled dishes on New Year's Eve at SMOKED and wake up to an eclectic Asian brunch buffet spread to kick off the first week of 2024 at Sea Dragon.

Throughout the festive period, Kandima will be the ultimate destination for music aficionados and entertainment enthusiasts seeking an unforgettable escape, including the laidback acoustic duo, K'Twins, Kaylee and Martina's anything-but-ordinary musical performance, and a glow party. And that's just the beginning! D2 Entertainment invites you to a special glow party with the ALGRS band.
