

An aerial photograph of a tropical resort. In the foreground, several modern buildings with dark, angular roofs and light-colored walls are nestled among lush greenery and palm trees. A white sandy path winds through the vegetation. To the left, a swimming pool area with blue umbrellas is visible. The middle ground features a wide, white sandy beach that curves along the shoreline. The water is exceptionally clear, showing a gradient from light turquoise near the shore to a deep, vibrant blue further out. In the distance, a small island with a pier and a few buildings is visible on the horizon under a bright, slightly overcast sky.
