KANDIMA MALDIVES LAUNCHES LIFESTYLE APP

Affordable resort promotes smart living via smart technology that allows guests to bypass check-in and order room service

Maldives, 23 July 2018: Practising the latest holiday trends in smart living, Kandima Maldives presents its new lifestyle app, a state-of-the-art software that caters to all our kind of guest needs! The new K'App is the new Kool that unleashes a completely new take on Maldives travel and allows guests to find out all about their stay on the island even before their arrival at the country. Who needs a private butler when all you need is at your fingertips!

The Kool K'App allows you to:

- Check-in and check-out
- Book or extend your stay
- Order food and drinks from any of the resort's ten restaurants and bars during their opening hours
- Make dining reservations
- Identify daily activities happening on the island
- Interact with the Kandima Buddies for a range of services such as Home Delivery (Kandima's take on 24-hour room service), room cleaning, laundry pick-up, luggage collection and mini bar top-up
- Get promotional offers that are relevant and intuitive

"Pioneering the way, Kandima is at the forefront of hospitality technology, changing the global trend for day to day operations as hoteliers, as well as achieving total guest satisfaction in the 21st century." says Mohamed Shafraz, resort's Deputy Director Digital Marketing & Social Media.

Fast and easy to use, K' App is available for both iPhone and Android platforms as well as via QR Code that is accessible from the resort booking confirmation as well online www.kandima.com.

GET THE K'APP!

Find out everything you need to know about Kandima Maldives before you're here! Look at the menus, see what the weather is like, see what special offers are on, check out what the cocktail of the day is! All you have to do is download Kandima App! Check it out and start getting excited about the Oh-so Kool holiday you're about to experience!

Download on the App Store

GET IT ON Google Play

The banner features a smartphone displaying the app interface with icons for 'Check-in', 'Reservations', 'About', 'Daily Menu', and 'Offers'. To the right are two QR codes (one red, one blue) and the App Store and Google Play logos.
